Gentlemen:

We are writing to you concerning the exhumation of Mr. \_\_\_\_\_ who died in Rochester, N. Y., on July 2, 1947 and who was buried by your organization in the Holy Sepulchre Cemetery in Rochester.

We have on hand signed permission forms for this exhumation from the following relatives of Mr. \_\_\_\_\_

I would appreciate receiving from you at your earliest convenience an estimate of the cost of exhuming Mr. \_\_\_\_\_ remains and shipping them by air to:

Mr. Joseph E. Farnham  
Center for Human Radiobiology  
Argonne National Laboratory  
9700 South Cass Avenue  
Argonne, Illinois 60439

According to Cook County, Illinois, regulations the ziegler case containing the remains of Mr. \_\_\_\_\_ must be sealed prior to shipment to O'Hare Airport, Chicago.

The undertaker who will handle the arrangements on the Illinois end is

Mr. Victor Markiewicz  
Markiewicz Funeral Home  
108 Illinois Street  
Lemont, Illinois

Our studies, which are sponsored by the Environmental and Research Development Administration (formerly the Atomic Energy Commission) take about a year, so it will be necessary to close the grave once the remains have been removed, and to reopen the grave when the remains are returned for reburial.

We hope that your charges and those of the cemetery can be kept to a minimum since, as you probably know, government research funds are rather limited these days.

Upon receipt of your estimate of the cost of this exhumation we will notify you of its acceptance. A member of our staff will be present at the time of the exhumation so we will want to arrange in advance a mutually convenient date for this work to be carried out.

Please send your reply to me at the address given on the bottom of the first page of this letter.

Sincerely yours,

(Miss) Mary Margaret Shanahan
